VCE Legal Studies 2018

Access Education's highly regarded VCE Legal Studies Teachers Toolkit returns in 2018 with two brilliant presenters and in an expanded format. We have listened to your feedback. The year's content will now be covered in two full day sessions and each unit will be covered separately. Book in for the full day and receive a complimentary lunch, or come along to just one of the sessions – the choice is yours. You pick the sessions that are relevant to you.

The main purpose of this program is to outline the major changes to the new VCE Legal Studies Study Design being implemented in 2018 and provide teachers with a range of teaching strategies and learning activities that can be used when teaching the new course – including the provision of materials that focus on current legal issues and cases and can be used in the classroom to teach and assess the key knowledge and key skills in the new course.

During the session(s) you will be provided with – sample unit outlines; resources on recent reforms to the legal system and current legal issues; case studies; class-based activities; sample assessment tasks (including sample SAC tests, examination questions and suggested solutions); and practice examinations.
