NEW TO VCE YEAR 12 ENGLISH IN 2021?

This program is intended to provide teachers who are new to teaching VCE Year 12 English with clarity about the nature of all SACs and the essential teaching required to prepare students optimally for them.

The current iteration of the Study Design will now continue until the end of 2022, at least for Units 1 and 2. In addition, it will offer sample tasks as exemplars in most key areas: teaching single and paired texts, oral presentations and analysing argument and language which persuades.

There will also be considerable focus on the nature and demands of the all-important final exam on 27 October, with detailed exploration of its three tasks and how these connect with the Units 3 and 4 SAC tasks. The assessment of exam responses will also be explored and clarified. The session will also identify key pressure points for teachers and students and provide strategic approaches.

There will be ample time for discussion and questions to be posed. The entire session will be practical, open and engaging.

The main purpose of this program is to provide teachers who are new to VCE English with a range of teaching strategies and learning activities. All three areas of the study design will be addressed. A number of activities that can be used in the classroom to teach and assess the key knowledge and key skills in VCE English will be presented.

Teaching Resources such as:

- **sample SAC tasks**
- **sample assessment rubrics**
- **practical teaching approaches and activities**
- **close analysis of the exam criteria and expected qualities**
- **a detailed overview of the 3 hour exam.**
