At Access Education our aim is to assist students achieve their personal best and we have been proudly doing so since 1994.

The Essential English program consists of 1½ hour lectures that provide an in-depth analysis of eight of the most popular VCE List One texts for 2024 including: High Ground, Sunset Boulevard and Oedipus the King. The program also includes a specialised exploration of each of the four new Frameworks that make up Section B. Crucially, there is a session devoted to Analysing Argument – which is the area of the exam that most students struggle with.

Each session will be accompanied with a bespoke hard copy set of notes that are not available to purchase anywhere else. Together they will help your students prepare for one of the most important VCE exams they will sit.

ACCESS EXPERIENCES

“ Lecturer had an incredible knowledge of the text, sharing his own ideas with us, yet encouraging us to discover the text ourselves. Chairi Christian College. Insightful, detailed yet explained with simplicity, gave extra resources and ideas. Thank you. The presenter was very interesting and enthusiastic and had a great understanding of the text. I was really nervous about my English exam but I now feel confident. Thank you. ”
